DETAILED ACTION

Applicant's amendment filed on 08/01/2008, wherein claims 4 and 7 have been amended.

Currently, claims 4-7 are pending.

Applicant's amendment overcomes the rejection of claim 7 under 35 U.S.C. 112, second paragraph.

Applicant's amendment overcomes the rejection of claims 4-6 under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

The rejection of claims 4-7 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-6 of copending Application No. 10/774048 made in the office action dated 05/04/2005 is herein withdrawn. Note that the application 10/774048 has been abandoned.

Applicant's arguments that "the patented claims differ significantly from claims 4-7 recited in the present application" are persuasive, and the rejection of claims 4-7 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-12 of copending Application No. 10/689856 made in the office action dated 05/04/2005 is herein withdrawn.

The rejection of Claims 4-7 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-115 of copending Application No.

10/464410; the rejection of claims 4-7 as being unpatentable over claims 1-34 of copending Application No. 10/464834; made in the office action dated 05/04/2005 are MAINTAINED.

The rejection of Claims 4-7 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-115 of copending Applications 11/344555, 11/344556, 11/344557; the rejection of claims 4-7 as being unpatentable over claims 1-34 of copending Applications 11/344552, 11/344554, 11/403034; the rejection of instant claims as being unpatentable over claims 1-12 of copending Application No. 10/789817 made in the office action dated 10/19/2006 are MAINTAINED.

Conclusion

No claims are allowed.

THIS ACTION IS MADE FINAL. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period, will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
